JET-HOT DIRECT WARRANTY

The manufacturers warranty is for a period of two (2) years covering the headers only, subject to normal road conditions. Headers used on vehicles in commercial use will be covered for one (1) year. **JET HOT** has a minimum temperature of -226c (-375f) and a maximum of 704c (1300f). **JET-HOT** Coatings carries a Life Time Guarantee against peeling, cracking or discoloration if operated within this temperature range. If the fault is neglected for any lengthy period and the substrate metal is effected then the guarantee will not apply.

CONDITIONS OF WARRANTY

1. All claims must be made within the warranty period. All Guarantee and Warranty periods start from the date of purchase. If some part is re-coated or replaces the Guarantee and Warranty period applies as of the original purchase date.
2. Any header found to be faulty in their application, **JET-HOT DIRECT** will refund the cost of the headers providing they are returned in good condition, not damaged and the engine hasn't been run with them fitted. If the coating is scratched, damaged and or the engine has been run with them fitted then there will be a minimum charge of \$50.00 per piece.
3. Any headers found to be faulty in materials or workmanship at the discretion of **JET-HOT DIRECT** management will be replaced or repaired free of charge providing the headers are returned in good condition and not damaged.
4. The warranty does not apply to any headers that have been subject to neglect, misuse, abuse, accidental or intentional damage, unauthorized repair, modification, incorrect application or installation.
5. All shipping and/or transport charges will be the responsibility the customer. Any damage or loss of headers during shipping is the responsibility of the company or persons who have possession of the headers at the time of damage or loss. Any Transport insurance is the responsibility of the customer.
6. No labour for removal or fitting of headers or any damage that may occur is covered by this warranty.

This warranty is not limited by any the above conditions or provisions. **JET-HOT DIRECT** Warranty differs from **JET-HOT** Coating Warranty for further information call 03 5470 6416.
